Dear Parents,

Another school year has begun and some of the children already have homework.

In our Elementary After Care program at Kids in the Village Early Learning Center, the children have the opportunity to work on their homework every afternoon for at least half an hour. We will assist and guide your child but our main priority is the supervision of all the children in our care.

Please detach and return the bottom portion to the office.

.....

STUDENT'S NAME _____

Please state your preferences concerning your child's homework:

_____ Please direct my child to start his/her homework immediately after snack.

_____ My child may choose to start his/her homework at Kids in the Village Early Learning Center or at home.
